

Existing Conditions

Driveways

- AD (Active Driveway)
- SE (Street Entrance)

Existing Shoulder Parking Restrictions

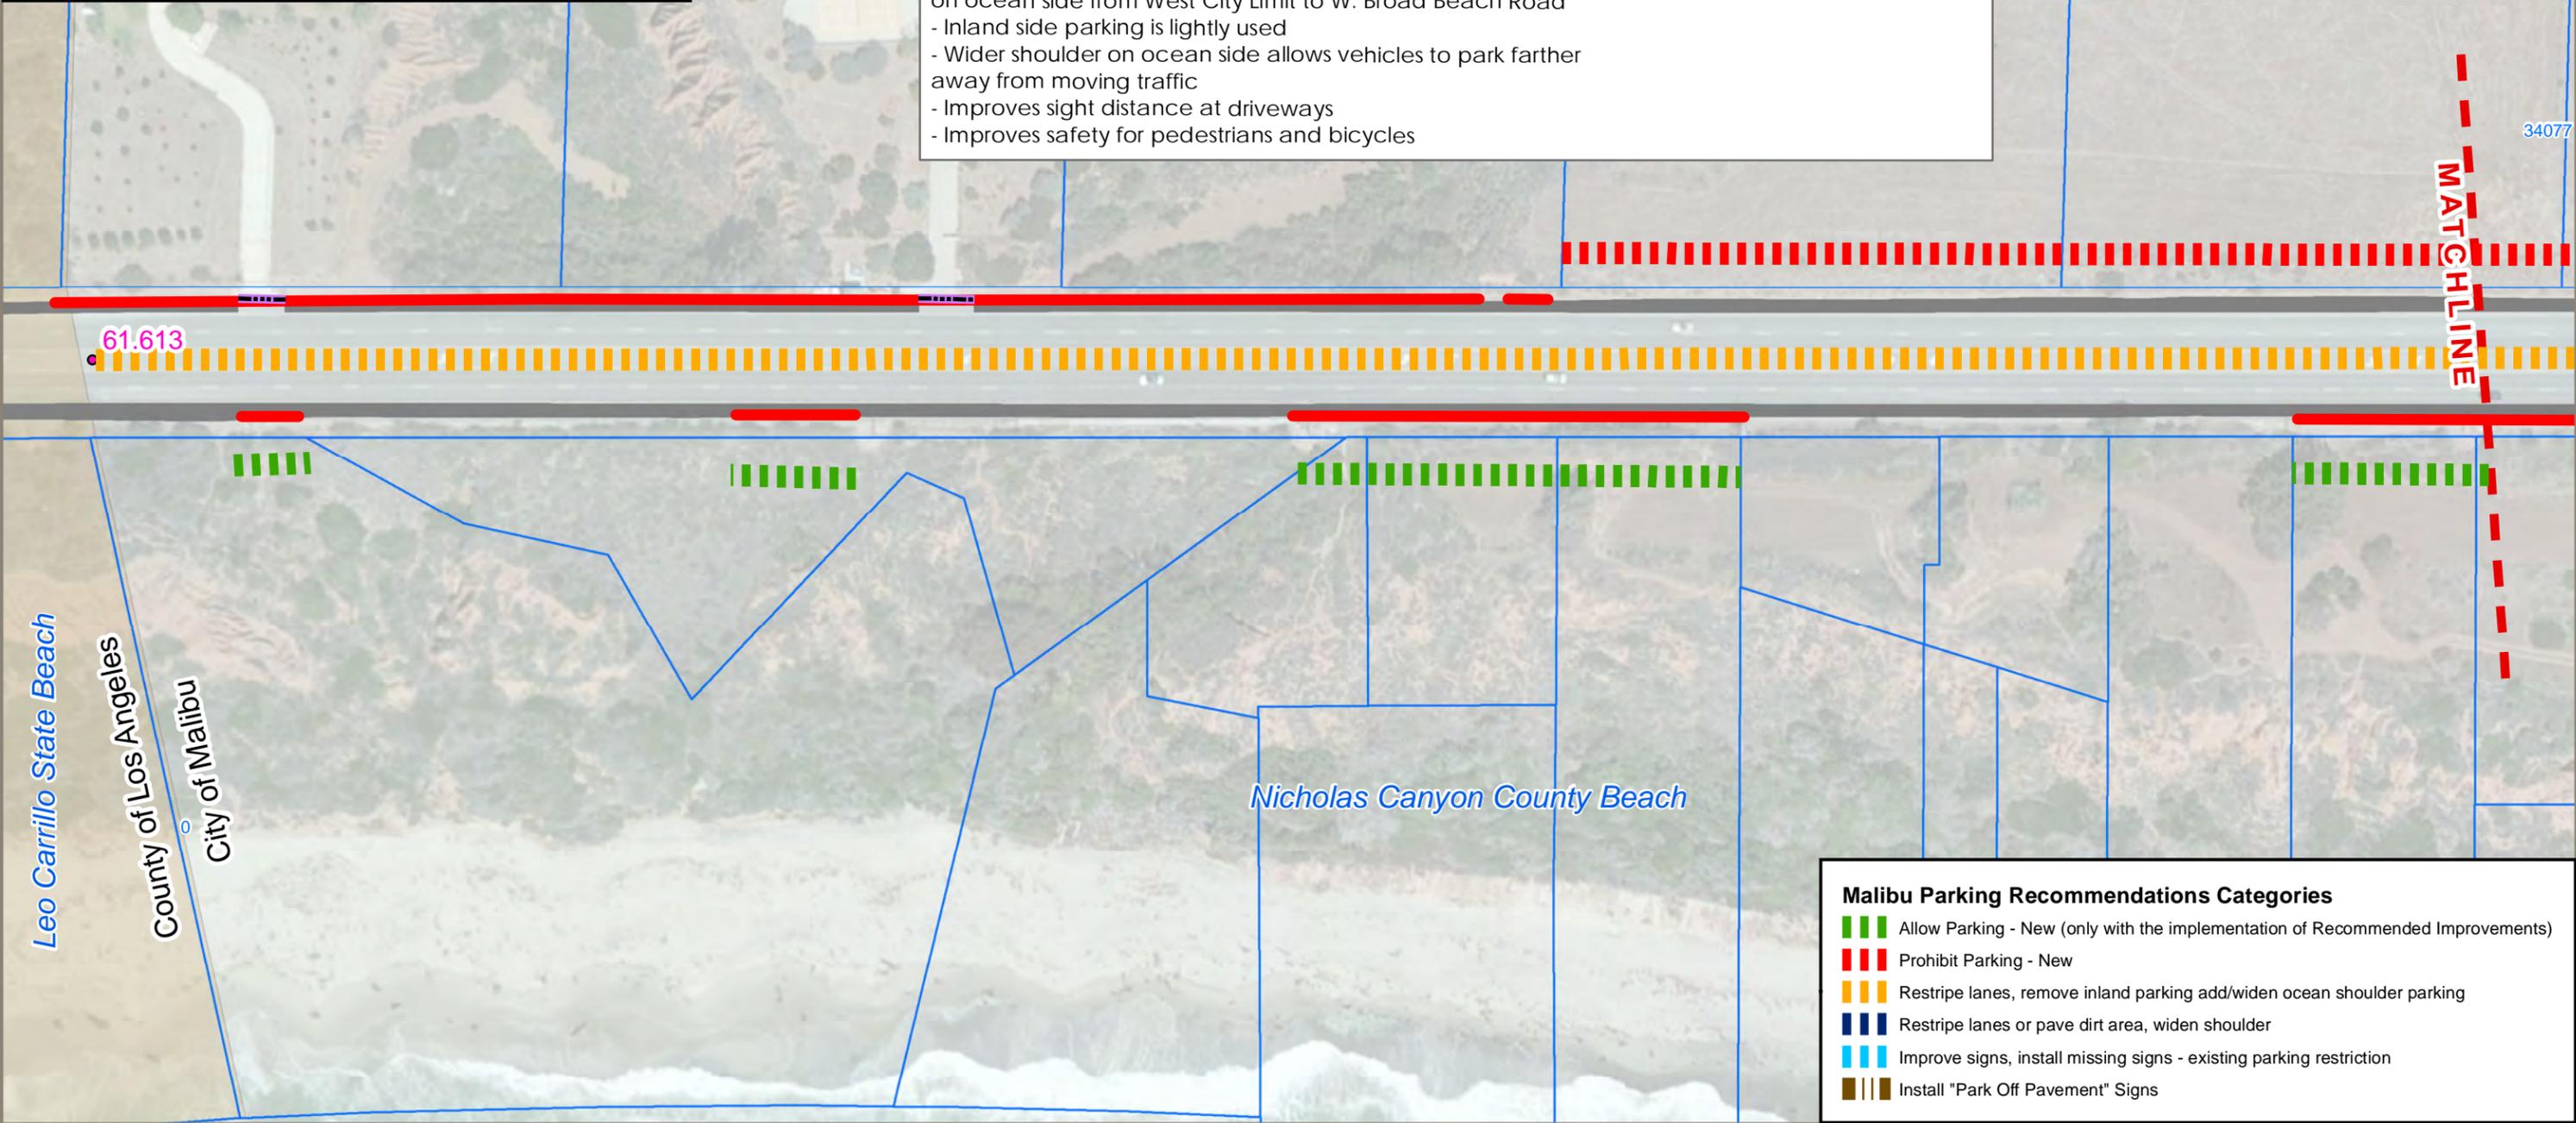

- Parking Prohibited or <8' Shoulder

Beach Access Points

- Public Access
- County Beaches
- State Beaches
- Private Lot

PCH Shoulders

- Unimproved Shoulder
- Paved Shoulder

Prohibit parking on inland side and restripe lanes to provide 9-foot shoulder and buffered bike lane on ocean side from West City Limit to W. Broad Beach Road

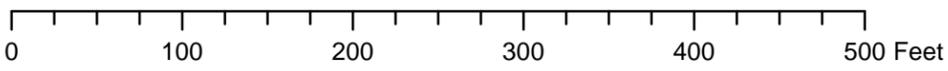

- Inland side parking is lightly used
- Wider shoulder on ocean side allows vehicles to park farther away from moving traffic
- Improves sight distance at driveways
- Improves safety for pedestrians and bicycles

Malibu Parking Recommendations Categories

- Allow Parking - New (only with the implementation of Recommended Improvements)
- Prohibit Parking - New
- Restripe lanes, remove inland parking add/widen ocean shoulder parking
- Restripe lanes or pave dirt area, widen shoulder
- Improve signs, install missing signs - existing parking restriction
- Install "Park Off Pavement" Signs

Exhibit Source Path:
